EduBuilt
— A SOFT SURFACES COMPANY —

ABOUT US

EduBuilt is Soft Surfaces' dedicated school infrastructure vertical, delivering turnkey design, build, and renovation solutions for educational institutions across the GCC. Backed by Soft Surfaces' decade of sports-infrastructure expertise, we bring sports surfaces, playgrounds, interior flooring, furniture, and civil works together under one accountable team — from concept to handover. Schools work with a single partner instead of coordinating multiple vendors, backed by **ISO 14001, 45001 & 9001** certification and a proven track record with Saudi Aramco, KFUPM, and leading international schools.

MISSION

Our Mission Delivering international-standard school infrastructure that is safe, high-quality, and affordable because every student deserves a world-class place to learn.

VISION

To shape the future of education by creating safe, inspiring, functional, and future-ready learning environments where students can learn, play, explore, and achieve their full potential. We envision schools where every classroom, playground, sports facility, and shared space contributes to a positive and engaging educational experience.

TURNKEY SCHOOL DESIGN, RENOVATION & DELIVERY

FROM VISION TO COMPLETION

At Edubuilt, we deliver comprehensive school renovation and fit-out solutions through a structured turnkey approach. Our experienced team manages every phase of the project, ensuring quality, efficiency, and seamless coordination from concept to handover.

OUR PROJECT DELIVERY PROCESS

At Edubuilt, we deliver comprehensive school renovation and fit-out solutions through a structured turnkey approach. Our experienced team manages every phase of the project, ensuring quality, efficiency, and seamless coordination from concept to handover.

01. Consultation & Needs Assessment

Understanding the client's vision, educational requirements, budget, and project objectives.

03. Design & Space Planning

Creating functional, safe, and inspiring learning environments with optimized layouts, furniture planning, and material selection.

05. Procurement & Manufacturing

Coordinating the sourcing and manufacturing of furniture, sports systems, flooring, fit-out materials, and specialized equipment.

07. Quality Inspection & Testing

Performing comprehensive inspections to ensure every installation complies with project specifications and applicable standards.

02. Site Survey & Evaluation

Conducting detailed site inspections, measurements, and technical assessments to develop the most effective solution.

04. Engineering & Material Selection

Selecting premium products and finishes that meet international standards for durability, safety, and long-term performance.

06. Installation & Project Execution

Executing all civil, fit-out, furniture, sports infrastructure, and finishing works under strict quality control and safety procedures.

08. Project Handover & After-Sales Support

Delivering a fully completed facility with documentation, warranties, maintenance guidance, and ongoing technical support.

OUR COMMITMENT

Every educational facility we deliver is designed to promote safety, functionality, durability, and an engaging learning experience. Whether renovating an existing campus or developing a new educational environment, Soft Surfaces provides a single-source solution for complete school transformation.

Why We Stand Apart

Tailored solutions to meet every school's unique requirements.

Alignment with Saudi Vision 2030 Objectives

Complete Turnkey Project Solutions

International Quality Standards

Global Manufacturing Partnerships

Experienced Engineering & Project Management Team

Customized Design & Installation Services

Reliable After-Sales Support

Multi-Country Project Experience

Commitment to Innovation, Sustainability & Safety

WHAT WE DO ?

CLASSROOM & INTERIOR SPACES

- Classroom flooring
- School furniture
- Hall and walkway flooring
- Wall and ceiling finishes
- Seating

OUTDOOR SPORTS FACILITIES

- Running tracks (IAAF-spec)
- Soccer grounds & synthetic turf
- Tennis courts
- Padel courts
- Basketball courts
- Pump tracks
- Multi-purpose outdoor courts

INDOOR SPORTS FACILITIES

- Classroom flooring
- School furniture
- Hall and walkway flooring
- Wall and ceiling finishes
- Seating

CEILING, SAFETY & ACOUSTIC

- False ceiling & acoustic ceiling
- Wall padding and column protection
- Acoustic solutions
- Playground equipment and safety flooring

SEATING SOLUTIONS

- Telescopic seating
- Auditorium seating & VIP seating

TURNKEY DELIVERY

Complete school & university renovation solutions.

VENDER REGISTRATIONS

Saudi Aramco E-Reference No. 0008868

Registration Approval Letter

March 20, 2024

Attention : **SOFT SURFACES GENERAL CONTRACTING EST.**

CR Number : **2051242584**

Supplier Type: **Service Provider Only**

Country : **Saudi Arabia**

We are pleased to inform you that SOFT SURFACES GENERAL CONTRACTING EST. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10112661, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com

Registration with Red Sea Global.

Vendor Name: **SOFT SURFACES GENERAL CONTRACTING EST**

Registered Vendor ID: **S10636962**

Congratulations! We are pleased to inform you that your application for vendor registration with Red Sea Global has been successfully approved.

2KXHRJ17-KHRJ-08-HASC-LS-MAT-00022	02	28-04-2026

Sr. No.	Document Title	Description
01	KHRJ-COM. (Al Mousa-Soft Surface) for EPDM and Aquatic splash-814-LS-CO	

The Contractor confirms that the submittal enclosure hereby is suitable for the conditions of use and conforms with the contract documents, all Local Authorities requirements, applicable codes, and standards and statutory requirements.

Signatures (Contractor's Representative): Mr. Khaled Rashad Date: 28-04-2026

The Construction Supervision Consultant:

Comments:

- The submitted system is initially approved, final approval is subject to sample/mockup approval.
- The contractor shall ensure consistency of material color, finish, and texture as per project specs, across all future deliveries.
- The contractor shall confirm that the supplied material matches the approved sample during execution.
- The contractor shall confirm the use of aliphatic urethane resistance polyurethane for all exposed areas.
- The contractor shall confirm the use of 100% solids as per specification.
- The contractor shall submit the details of PU top coat & application.
- The contractor shall confirm the total system thickness as per approved drawings.
- The contractor shall submit the Critical Fall Height (CFH) chart in compliance with ASTM F1292 / EN 1177.
- The contractor shall provide the VOC compliance certificate.
- All submitted certificates / test reports shall remain valid prior to commencement of works and throughout the entire execution period until project completion.
- The Consultant reserves the right to suspend or stop the works if the delivered material is found unsatisfactory or not in compliance with the approved submittal.
